

Environmental Policy

Ferndown Finishing recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods. We will encourage customers and suppliers to do the same.

It is the policy of Ferndown Finishing to:

- i. Actively seek to prevent pollution through opting for greener alternatives*
- ii. Comply with all current applicable legislation*
- iii. Set, monitor and review environmental performance, targets and objectives*
- iv. Ensure all members of staff are aware of their responsibility to protect the environment*
- v. Continually improve the environmental performance of Ferndown Finishing*

The Company will review this policy periodically to ensure that it reflects operations.
